

Mid-I Exam Schedule for the Semester Monsoon 2018

Date: 28.08.2018

	8.30 AM – 10.00 AM	12.00 PM to 01.30 PM	04.00 PM to 05.30 PM
Wednesday 05/09/2018	Data Warehousing and Data Mining, Speech Technology, Compilers.	Introduction to Databases, Civil Engg Workshop, Quantum Chemistry: Electronic Structure Methods, Advanced Problem Solving.	Distributed Systems, Transportation Engineering, Computer Problem Solving, Linear Control Systems, Intro. to Linguistics-1, Real Analysis.
Thursday 06/09/2018	Introduction to Sociology, Electrical Science I.	Mathematics III, Scripting and Computer Environments, Advanced Structural Analysis, Embedded Hardware Design, Wireless Communications, Topics in Machine Learning, Speech Signal Processing.	Number Theory & Cryptology, Structural Dynamics, Stability of Structures, Computer Programming, Research in Information Security, BMSSC, Paninian Linguistics.
Friday 07/09/2018	Information Theory and Coding, Privacy and Security in Online Social Media, Operating Systems.	Algorithms, Quantum Mechanics S&S, Topics in Applied Optimization, Environmental Science, BMSID, Linear Algebra	Science Technology and Society, Linguistics 1, Understanding Raga, Digital Systems and Microcontrollers, Building Automation and Controls, Maths & Statistics, Signals & Systems.
Saturday 08/09/2018	SSAD & Project, Operating Systems (PG), Adv. Mechanics of Materials, Spatial Informatics, Digital Image Processing, Information Retrieval and Extraction, CMOS RFIC Design, Linear Electronic Circuits, Database Systems, Water Resource Engineering, Complexity & Advanced Algorithms, Principles of Semiconductor Devices.	General Physics, Computational Linguistics I, Electromagnetic Theory and Applications, Discrete Structures, Topics in Physics, Advanced Biomolecular Architecture, Network Signals and Systems, CNS Lab, Building Energy Simulation, Science I.	Advanced Biology, IS Codes on DSSA, Probability and Random Processes, Principles of Programming Languages, Algorithms and Operating Systems, Distributing Trust & Blockchains, Discrete Maths and Algorithms.

Note: Mid-1 of SM in AI is scheduled on - Tuesday, 04/09/2018- 4.00 PM to 5.30 PM

**Sd/-
